

ARBONNE COSMETICS

SHEER FINISH TINTED MOISTURIZER

BROAD SPECTRUM SPF 15 SUNSCREEN

Create a transparent veil of natural color while protecting your skin from the sun's harmful UVA/UVB rays. This tinted moisturizer delivers sheer coverage with a healthy glow. Its creamy, lightweight formula conditions, protects and hydrates skin, diminishing the appearance of fine lines and imperfections. The biggest perk: It's effortless to use and blends easily. Just apply and go! **\$42**

Hot Tips

- Recommend as a versatile alternative to full-coverage foundation. For a matte look, just apply Sheer Pressed Powder.
- A great way for those who use Arbonne® Clear Advantage products for acne-prone skin to get sheer, natural-looking coverage.
- Finish off with Bronzer to achieve a sun-kissed glow.
- Become a Preferred Client to receive 20% off all Arbonne products.

KEY INGREDIENTS & BENEFITS

- Peptide helps visibly reduce the appearance of fine lines and wrinkles, and promotes overall skin smoothness and firmness.
- Ribose helps diminish the appearance of wrinkles and promotes skin's natural radiance by acting as a plant-sourced humectant.
- Sodium PCA helps skin lock in hydration and adds luxurious, rich texture to the formula.
- Contains vitamins A, C and E, which provide skin-conditioning benefits.

HOW TO FIND YOUR SHADE: 3 EASY STEPS

1. Choose two shades closest to your skin tone.
2. Apply a small amount of each shade side by side.
3. The shade that seems to seamlessly "disappear" into your skin is your shade!
